

# Register for MyMedicare here

You can register for the MyMedicare initiative with your preferred GP from **1 October 2023**

By registering, you can access additional Medicare benefits including:

- Longer telephone calls with your usual GP
- Longer telehealth consultations for children under 16, pensioners, and concession card holders
- More continuity of care with your usual practice

Interested to learn more or register?

Speak to our reception team or visit [health.gov.au](https://health.gov.au) and search for MyMedicare

Download the **Healthengine app**
